2/5 Myreslawgreen

Hawick TD9 0JA

Valued at £50,000

2/5 Myreslawgreen is a second floor flat with lovely views of the town and surrounding area. Centrally located in a popular residential area, just a short walk from the town centre, supermarkets, both primary and secondary schools and other local amenities. The award winning Wilton Lodge Park is also located nearby. In need of some refurbishment but with lots of potential. There is a shared garden and drying green to the rear which is a good size and well-maintained.
